

*Our summer program will bring out the world traveler in any child. We study a different continent each week.*

*Each day begins with hands-on activities led by an experienced museum educator.*

*Afternoons are devoted to play-time, swimming, crafts, and field trips.*

*The Oak Grove Nature Center offers fifty-two acres of land with trails, a pond, covered bridge and a teaching building.*

#### **July 6 – July 10 DESTINATION: THE AMERICAS**

*The World Explorers will venture all over North and South America discovering different cultures, languages, and landmarks without leaving Oak Grove Nature Center. We will take an actual journey to Mystic Seaport to see how our 19th Century ancestors lived.*

#### **July 13 - July 17 DESTINATION: EUROPE & ASIA**

*The World Explorers are headed to the continents of Europe and Asia this week. We will 'visit' different countries and walk along famous rivers and mountain ranges. Our real road trip this week will take us to the Roger Williams Zoo, where we will search for animals native to the continents of Europe and Asia.*

#### **July 20– July 24 DESTINATION: AFRICA**

*The World Explorers land on the African continent. We'll plan a safari through the arid desert, the vast savannah, and the dangerous jungle. Our trek ends at the Maritime Aquarium in Norwalk, where we will meet some residents of the waters off the African coast.*

#### **July 27 - July 31 DESTINATION: AUSTRALIA**

*The World Explorers are headed to the Outback to look for some kangaroos and wallabies. Then we will make a quick trip to the frozen Antarctic where we'll see how animals survive in this unfriendly environment. The Explorers will learn all about climate and predicting weather this week when we visit the Connecticut Science Center.*

#### **Registration Fees**

**\$225 per week / Members**

**\$250 per week / Non-Members**
